MISSION

The iLearn School's Mission is to provide the ideal environment for the intellectual and social development of its students by utilizing combined efforts of students, educators, families and the community as a whole. iLearn Schools believes that an effective and adequate education necessary for the citizens of the future relies heavily on a multidimensional academic curriculum in which all core subjects will be blended together through various teaching methods while promoting the development of a strong character that supports and respects society. iLearn Schools believes that focusing on overall high academic achievement includes providing opportunities for individual skills and talents to develop to higher levels. iLearn Schools fosters an atmosphere that promotes enthusiasm on the part of the iLearn Schools teachers and students alike through the challenging academic program, interesting co-curricular activities, and positive rewards for success resulting in students who seek further challenges and have the desire to continue on the educational path. At iLearn Schools students exhibit the love of learning to the extent of choosing challenging even competitive academic activities.

VISION

The New Jersey Department of Education is clear about its mission: to ensure that all children, regardless of zip code, graduate from high school ready for college and a career. Therefore the iLearn Schools is committed to getting children ready for college and career as part of our moral fiber so that no matter where they are born, they have an equal shot at life.
